EDUCATION

GEORGIA INSTITUTE OF TECHNOLOGY, College of Engineering — **Atlanta, Georgia**
Bachelor of Science in Computer Engineering — *June 2024 - May 2028*
GPA: 3.9/4.0

- **Concentration:** Distributed System and Software Design
- **Certificates:** CA Python 3, CA Javascript, Foreign English Teaching Certificate
- **Scholarships:** Zell Miller (**100% tuition**), Georgia Tech Institutional Scholarship
- **Languages:** English – native; Mandarin – native; Spanish – intermediate
- **Organizations:** Georgia Institute of Technology Mastering Android Development (GITMAD)
- **Programming Languages:** Java, JavaScript, Python, SQL, Matlab
- **Tools/Software:** Smartsheet, PowerBI, AWS, Excel, RStudio, Raspberry Pi, Pytorch
- **Relevant Coursework:** Machine Learning, Systems Administration, Data Structures and Algorithms, Operating Systems

PROFESSIONAL EXPERIENCE

WYZANT STEM TUTOR (MATH & COMPUTER SCIENCE) — **Atlanta, Georgia**
Tutor — *August 2025 - Present*

- Delivered one to one instruction in math, Python, Java, and SQL, adapting lessons to individual learning styles.
- Improved student performance and problem-solving skills by breaking down complex technical concepts into structured, repeatable approaches.
- Analyzed student performance data using digital progress-tracking tools to target learning gaps and adapt lessons.

GUEST EXPERIENCE REPRESENTATIVE — **Atlanta, Georgia**
Server/Social Media Organizer – (Rumi's Kitchen, K-Factory Korean Barbeque, Kobe Steakhouse, Atalian) — *August 2021 - Present*

- Delivered high-volume customer service to 300+ guests daily, communicating effectively in English, Mandarin, and Spanish.
- Reduced onboarding time and service errors by training new hires and coordinating across teams to uphold brand standards.
- Increased online engagement and content effectiveness by analyzing social media performance data to guide content optimization.

KUMON TUTORING SERVICES — **Atlanta, Georgia**
Manager — *August 2020 - May 2021*

- Executed efficient project planning and teamwork by supervising 10 employees and 100+ students every week.
- Ensured customer satisfaction and improved efficiency by organizing classrooms, maintaining cleanliness, and leading students.
- Enhanced students' academic GPA by 15% through communication, leadership, and creative teaching strategies.

PROJECTS

AI-ASSISTED OPERATIONS DASHBOARD – PERSONAL PROJECT — **Atlanta, Georgia**
Developer — *August 2025*

- Improved task visibility and planning by building a smart screen dashboard displaying real-time task status, schedules, and priorities with AI logic.
- Enhanced decision quality and operator awareness by designing the system with a human-in-the-loop approach, prioritizing clarity over automation.

ARDUINO TASK WATCH – PERSONAL PROJECT — **Atlanta, Georgia**
Developer — *November 2024 - January 2025*

- Enabled time- and location-based task verification by building a wearable device integrating a display, GPS module, and embedded control logic.
- Achieved reliable real-time task tracking by programming embedded C/C++ firmware for state management, device I/O, and feedback control.

TECHNOLOGY STUDENT ASSOCIATION (TSA) — **Lilburn, Georgia**
Vice-President — *September 2020 - May 2024*

- Achieved 1st Place in the Drone Challenge (UAV), Music Production, and Engineering Design by showcasing technical expertise in both software development and hardware integration.
- Contributed 11 first-place trophies and 4 overall chapter awards to TSA by effectively setting up meetings, organizing targeted practice sessions, and developing detailed project plans that enhanced team performance during competitions.

LEADERSHIP

SEEChina International Engineering Exchange — **China**
Communications & Data Lead — *May 2025 - July 2025*

- Improved operational coordination by tracking program data, schedules, and activities in Excel, supporting smooth daily execution.
- Increased engagement and program visibility by leading communications and social media outreach with partner universities and organizations.

FOREIGN LANGUAGE EDUCATION PROGRAM — **Taiwan**
Student Body President — *May 2023 - August 2023*

- Recognized by the Governor of Taiwan for enhancing international relations and promoting a welcoming image with various countries.
- Featured in Taiwan News Network for leading key projects that improved educational access and resources for local students and adults.

Lead Foreign English Teacher

- Increased local students' English presentation capabilities by 300% by executing 60 workshops.
- Prepared 750 foreign student teachers to teach English by creating structured training programs.
